Willow – Things to remember

- Willow is a puppy (born 1st May 2022)
 - She is still learning, it takes time!
- She LOVES people and is very playful
 - No fuss if she is not on four paws/sitting
 - If she is opening her jaws and looking to bite something, give her a toy to chew while playing
- Do **not** feed her, she has a sensitive tummy
- If in doubt, find Mr Elliott, he is never too far away!
